**Instructions:**

A copy of this form shall be maintained for each source possessed by an Authorized User. Whenever any activity is removed from a source, enter the date, the current activity of the source (decay corrected), and the activity removed. Indicate the amount of this activity that was removed to solid waste, liquid waste, a split source, and/or transferred to another AU. Note the final activity left in the source and initial in the appropriate spot. When a source has been used up completely, submit this form to the ORS with the next quarterly inventory.
